Terms & Conditions of Seasonal Storage and Parking 2021

Application of Terms and Conditions

The Terms and Conditions apply to all customers who hire a Seasonal pitch or Store with us during the Summer and Winter. They apply in addition to Woolacombe Bay Holiday Park's prevailing standard Terms and Conditions of booking and in the case of conflicting information these terms take precedent, as well as individual Park Rules where applicable.

Purpose

Woolacombe Bay Holiday Parks offer the facility for people who wish to make use of their touring caravans but who are either unable or unwilling to tow them to and from other holiday sites at frequent intervals. Seasonal pitches or storage are therefore available for recreational purposes only.

Allocation of Pitches

A Seasonal Pitch is allocated dependent on availability and booked via the Reservations department. In the event of any dispute relating to a Seasonal Pitch allocation, on particular occasions, the Warden will allocate Seasonal Pitches as the case may be.

Use of Caravans on Site

Sites are for recreational purposes, NOT residential purposes. When on the Park the Caravan may therefore be occupied for recreational purposes only.

Awnings

If you are on an all-weather pitch and wish to leave your awning up (this is an additional charge) it is the responsibility of the owner of the tourer to ensure this is secure as we will be unable to erect or take them down, however if in severe weather conditions your awning does collapse we reserve the right to secure it in any way to prevent damage to others property.

Pets

We accept responsible pet owners in all areas of our Holiday Parks. If a pet causes a disturbance or are deemed a nuisance we have the right to ask for them to be removed from Parks.

Pitch use and Maintenance

Nothing may be stored beneath the touring caravan. Pitches must be kept clean and tidy at all times. Assessment of the cleanliness and tidiness of a Pitch will be at the Warden's discretion, to be exercised reasonably. Any uncleanliness or untidiness will be notified to the relevant guest and a reasonable period allowed for such to be remedied.

On and around your pitch

1. Your tourer must be parked length ways with the tow bar facing the roadway and to the left of the boundary lines. All awnings are to be erected to the right of the tourer (if you have a continental tourer please enquire about pitch availability)
2. Personalisation of a seasonal pitch is NOT permitted; this includes, boundary fences, the planting of flower boxes etc. The visual aspect of a seasonal pitch should be the same as any other tourer on site and kept as neat and tidy as possible at all times.
3. Awnings must be taken down when not in use if you have not paid the additional charge.
4. All utilities (Water, electric, drainage) must be disconnected and stored away when your tourer is not in use. If this is not done this will incur a £10.00 disconnection charge.
5. Please use an Eco friendly ground sheet.
6. Please do not place any form of decking on to your pitch. If any type is discovered you will be asked to remove it.
7. If using a T.V Ariel this must be fixed flush to your touring caravan and not exceeding 8ft in height from ground level.
8. No construction of any sort is to be undertaken on the pitch.
9. No additional tents to be erected on your allocated pitch.
10. Maximum of eight people in your tourer at one time.
11. A maximum of two storage boxes. Maximum size of 3ft high x 5ft wide as everything is to be stored and not left out when not in use. These are to be raised off the ground and individually attached to substantial pallets in good condition to enable cutting of grass and access to the pitch for maintenance purposes at any time at our discretion. Storage boxes must be clearly marked with your pitch number and visible from the road.
12. If you have a table/picnic bench this must be left on the hardstanding area not grass, do not leave any form of pegs or spikes in the ground.
13. No unattended dogs, and only in dog areas
14. No washing lines only small removable rotary lines.
15. No business of any kind to be run from your pitch this includes charity/advertising.
16. No boats or jet skis to be stored on pitches at any time.
17. If you have not booked Winter Storage, all items must be removed from the pitch including storage boxes, and the pitch returned to a vacant state.
18. When unoccupied, please ensure that all loose items in the tourer are appropriately stored so it may be moved promptly without causing undue damage.

Cars

A car may only be left at the Holiday Park when a Caravan sited on a Seasonal Pitch is occupied. When two or more cars are being used one may be left in the additional car parking area if space is available, please check with the Warden first. Cars may not be left on pitches or on Park during a period of Winter Storage.

Movement of Tourers

All Guests are required to leave a spare set of any hitch lock or wheel clamp keys. On reasonable notice from the Warden, guests may be required occasionally to move their tourer due to maintenance and/or development requirements, including, if required by utility companies, to enable the ground under the tourer to be 'aired', the grass to grow, grass cutting to take place and tree maintenance. In the event of a hazard or emergency, such as fire, high winds, flooding, the Warden may need to move or arrange for the tourer to be moved immediately to another area or Pitch on the same Holiday Park or an alternative Park. In such circumstances, the Warden will, if possible, give the guest as much notice of such requirement as possible. Once the maintenance and/or development requirements have been satisfied or completed or there is no longer a hazard or emergency, the guest will be entitled to return the tourer, where possible, to the original Pitch. Where this is not possible, the guest will be required to move the tourer to another Pitch, as comparable to the original Pitch. Wheels must not be removed from the tourer.

Standard of Tourer

All Guests are required to maintain visual standards, only tourers in a good state of repair and condition, adequately maintained and clean, will be allowed into and to remain on the Park. Assessment of such standards will be at the Warden's discretion, to be exercised reasonably. Any failure to meet such standards will be notified to the relevant Guest and a reasonable period allowed for such failure to be remedied. Any borderline cases or dispute relating to the standard of the Tourer will be considered by the Park Manager.

Sub Letting or Lending

Sub-letting to any other party or parties whether for financial reward or otherwise is expressly forbidden, and can result in termination of the contract. Seasonal Pitch bookings are non-transferable. Joint and Family Members of a Guest are allowed to use the Tourer when the Guest is not present, at no additional charge. If extra guests not included in your allocation of 8 passes wish to use the facilities, passes are available to purchase at your Park's reception for a small extra fee.
